Closing of Holding Company Reorganization**

Atlas Corp. to commence trading as ATCO on February 28, 2020

HONG KONG, China, February 27, 2020 – Atlas Corp. (“Atlas”) and Seaspan Corporation (NYSE: SSW) (“Seaspan”) today announced the closing of Seaspan’s previously announced holding company reorganization (the “Reorganization”) to create a new holding company, Atlas. In conjunction with the Reorganization, Atlas expects to announce the closing of Atlas’ acquisition of APR Energy Limited (“APR”), a global leader in fast-track, mobile power solutions (the “Acquisition” and together with the “Reorganization”, the “Transactions”). With completion of the Transactions, Seaspan and APR will both become wholly-owned subsidiaries of Atlas.

The Reorganization was implemented through the merger of Seaspan’s indirect wholly-owned subsidiary into Seaspan, with Seaspan continuing as the surviving corporation and a direct wholly-owned subsidiary of Atlas. The Reorganization was approved by Seaspan shareholders at the Special Meeting of Shareholders held on February 27, 2020 in Hong Kong. Of the 81% outstanding shares that voted, over 99% were in favour of the Reorganization. Under the Reorganization, Seaspan shareholders will receive one Atlas common share and one Atlas preferred share, as applicable, for each Seaspan common share and each Seaspan preferred share they held immediately prior to the closing of the Reorganization.

Please refer to Atlas’ Registration Statement on Form F-4 for additional information related to the Reorganization.
