About Atlas

Atlas is a leading global asset management company, differentiated by its position as a best-in class owner and operator with a focus on deploying capital to create sustainable shareholder value. Atlas brings together an experienced asset management team with deep operational and capital allocation experience. We target long-term, risk adjusted returns across high quality infrastructure assets in the maritime sector, energy sector and other infrastructure verticals. Our two portfolio companies, Seaspan and APR, are unique, industry-leading operating platforms in the global maritime and energy spaces, respectively.
