14 Describe the organizational action and, if applicable, the date of the action or the date against which shareholders' ownership is measured for the action ▶ During the year to date ended July 30, 2019, Seaspn Corporation declared the following cash distributions per share to the common shareholders of record as of the dates specified below:

- \$0.12500 per share held as of January 14, 2019
- \$0.12500 per share held as of April 22, 2019
- \$0.12500 per share held as of July 22, 2019

15 Describe the quantitative effect of the organizational action on the basis of the security in the hands of a U.S. taxpayer as an adjustment per share or as a percentage of old basis ▶ Dividends paid in excess of the current and accumulated earnings and profits of a corporation reduce the basis of the shares of the corporation pursuant to Internal Revenue Code 301(c)(2) and 316(a).

The cash distributions declared and paid to date are less than the current and accumulated earnings and profits of Seaspn Corporation. The full amount of the distributions per share were paid out of current and accumulated earnings and profits and are allocated in order of the cash distributions. The basis of each share held as of the date of record will not be affected.

16 Describe the calculation of the change in basis and the data that supports the calculation, such as the market values of securities and the valuation dates ▶ Based on Seaspn Corporation's current and accumulated earnings and profits, the full amount of the distributions per share were paid out of current and accumulated earnings and profits and are allocated in order of the cash distributions. The basis of each share held as of the date of record will not be affected.

Part II Organizational Action (continued)
