

## Seaspan Corporation Announces Filing of Universal Shelf Registration Statement on Form F-3

HONG KONG, CHINA, Aug 19, 2010 (Marketwire via COMTEX News Network) -- Seaspan Corporation ("Seaspan") (NYSE:SSW) announced today that it has filed a universal shelf registration statement on Form F-3 with the United States Securities and Exchange Commission ("SEC"). The registration statement, which will replace an expired registration statement on Form F-3 that was previously filed with the SEC in April 2007, is intended to provide Seaspan with financial flexibility for future growth and does not reflect a change in its financing strategy. At present, the Company has no specific plans to issue securities under the registration statement.

If and when the registration statement is declared effective by the SEC, Seaspan will be able to offer and sell up to \$1 billion of common and preferred stock, debt securities, warrants, subscription rights or any combination thereof in one or more public offerings from time to time. The terms of any securities offered under the registration statement will be established at the time of the offering and will be described in a prospectus supplement filed with the SEC at the time of the offering. Unless otherwise specified in any prospectus supplement, Seaspan will use the net proceeds from the sale of securities offered under the new shelf registration statement for capital expenditures, for repayment of indebtedness, for working capital, to make vessel acquisitions or for general corporate purposes.

Although the registration statement relating to these securities has been filed with the SEC, it has not yet become effective. These securities may not be sold, nor may offers to buy be accepted, prior to the time the registration statement becomes effective. This press release is not an offer to sell or a solicitation of an offer to buy, nor shall there be any sale of securities in any state or jurisdiction in which such offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of any such state or jurisdiction. A copy of the final prospectus and prospectus supplement relating to any offering under the registration statement will be filed with the SEC and can be obtained, when available, by contacting: Mr. Sai W. Chu, Chief Financial Officer, Seaspan Corporation (tel. 604-638-2575).
